Assembly without housing

### HIP/EMV Housing IP 68

#### HIP/EMV

- Pressure tight up to 5 bar
- Aluminum die-cast alloy
- Integrated all-around protective metal collar at the hood
- Internal O-seal or all-around flange seal at the surface mounted housing
- Screw locking system
- Tightening screws with sealing ring

#### Series HIP-K

- Corrosion protection guaranteed, even in extremely adverse environmental influences
- No contact corrosion

#### Series EMV/EMV-K

- Protection against electro-magnetic influence
- Adequate interference resistance
