### Identification

|                          |                |
|--------------------------|----------------|
| Category                 | Hoods/Housings |
| Series of hoods/housings | Han-Eco® B     |
| Type of hood/housing     | Hoods          |

### Version

|              |                      |
|--------------|----------------------|
| Locking type | Double locking lever |
| Size         | 24 B                 |
| Version      | Top entry            |
| Cable entry  | 1x M40               |

### Technical characteristics

|                                        |                 |
|----------------------------------------|-----------------|
| Limiting temperature                   | -40 ... +125 °C |
| Number of relockings                   | ≥500            |
| Degree of protection acc. to IEC 60529 | IP66            |

### Material properties

|                                           |                                     |
|-------------------------------------------|-------------------------------------|
| Material (hood/housing)                   | Polyamide<br>Fibre-glass reinforced |
| Colour (hood/housing)                     | RAL 9005 (jet black)                |
| Material flammability class acc. to UL 94 | V-0                                 |

### Specifications and approvals

|                |                                                                                                              |
|----------------|--------------------------------------------------------------------------------------------------------------|
| Specifications | IEC 61984<br>EN 45545-2 R22: HL1, HL2, HL3<br>EN 45545-2 R23: HL1, HL2, HL3<br>EN 45545-2 R24: HL1, HL2, HL3 |
|----------------|--------------------------------------------------------------------------------------------------------------|

### Commercial data

|                   |         |
|-------------------|---------|
| Packaging size    | 1       |
| Country of origin | Germany |

Pushing Performance
