Three Arm Clamping Knobs

Series #3036

Clamping knobs are available in different materials, thermoplastic, and phenolic for a multiple of applications.

A variety of shapes and diameters with plain, tapped bosses or with studs are available with standard threads to fit the application.

Perfect for the industrial machinery, medical, general equipment and other industrial applications.

Knobs can be decorated or customized to your specific need.

Davies Molding is pleased to introduce our series of soft touch knobs and handles. Our soft touch parts are molded with a soft thermoplastic overmolded "rubber" top with a tough thermoplastic body underneath. The soft feel of the knob provides a comfortable touch with a sure grip.

Colors available upon request.

Please note: Not all variations available are listed below. Please [contact Customer Service](#) to inquire about all available options.
