

HIS-3-BAG (Colours)

Features and benefits

3:1 shrink ratio and handy 250mm lengths allows for both individual and large bundled wires to be sleeved quickly and easily.

HIS-3-BAG (colours) comes in five colours including Green/Yellow, Brown, Blue, Black and Grey and in three sizes from 6mm to 40mm thus reducing the size of inventory required by half compared to a standard 2:1 product.

This makes HIS-3-BAG (colours) the ideal product to carry in a toolbox, Minimising space and maximising uses!

Application

- General purpose electrical installation
- Coloured Identification
- Protection against mechanical abrasion and corrosion
