

Model: 346NM Deluxe Non-Marking Neoprene Jaw Pads

Gentle pads with non-marking holding power

These versatile neoprene pads slip over the metal arms on the 350, 366, 376 and 396 Vise Heads.

- Thick, molded pads have a corrugated surface on one side to firmly hold the most delicate objects
- Reverse the pads and use the wide "V" groove to hold round objects
- Jaw Pads are 1.875" (47.63mm) wide x 1.5" (38.1mm) tall
- Carbon-free to avoid marking or marring
