Product data sheet

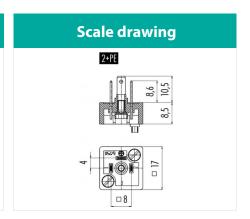

Product description Size C (DIN EN 175301-803) male connector (panel mount), Contacts: 2+PE, not shielded, solder, IP40 without seal

Area Size C (DIN EN 175301-803) series 230

Order number 43 1905 000 03

Illustration

Technical data

General values

Connector design Connector locking system Termination Wire gauge (mm) Wire gauge (AWG) Upper limit temperature Lower limit temperature Customs tariff number Packaging Unit male connector (panel mount) central bolt solder 0.75 mm² 18 120 °C - 20 °C 85369010 250

Electrical values

Rated current (40 °C) 6 A
Rated voltage 250 V
Rated impulse voltage 800 V
Pollution degree 3
Overvoltage category III
Insulating material group III
EMC compliance not shielded
Degree of protection IP40 without seal

P65 with seal, see accessories
Degree of protection 2 P65 with seal, see accessories
Mechanical operation > 50 Mating cycles

Material

Contact material CuZn (brass)
Contact plating Sn (tin)
Contact body material PA (UL94 HB)

Product data sheet

Automation technology - solenoid valve connectors

Product description Size C (DIN EN 175301-803) male connector (panel mount), Contacts: 2+PE, not shielded, solder, IP40 without seal

Area Size C (DIN EN 175301-803) series 230

Order number 43 1905 000 03

Security notices

The connector must not be connected or separated under load. Non-observance and incorrect use can result in personal injury.

The connectors are designed for use in plant, control system and electrical equipment. The end user is responsible for checking whether the connectors are suitable for use in other applications.

Connectors used in electrical circuits containing hazardous life parts must only be assembled and used by or under the supervision of persons with the requisite electrotechnical training, taking the applicable regulations and standards into account.

Connectors with degree of protection IP 67 and IP 68 are not suitable for use under water. When used outdoors, the connectors must be separately protected against corrosion. For further information about IP degrees of protection refer to 'Technical support' in the Download Centre.
