

GripPack Tool Holster (Empty)

Part number: 4940

Description

The GripPack Tool Holster keeps the right tools in the right place at the right time! It holds all of the essential tools to install or maintain phone & data networks so you're ready to tackle all of your cabling jobs.

Advantages

<UL STYLE='list-style-image: url(\\seba4\Admin\Sourcing\Blocking\Resut ehab 9-7\4940_files\bullet_orange.gif)'>

- Form fitted SureGrip material ensures that tools don't fall out - even if upside down
- Easy on, easy off with new quick release belt clip
- Belt clip swivels so holster moves with you & tools stay out of the way
- Rugged belt clip design that won't separate from SureGrip material
- Tools readily accessible
