Fish Rod Attachment Set, 7-Piece 56511

- Fit all Klein Splinter Guard rods
- 7 attachments: Whisk, Double-S hook, Bullet nose, Twin hook, Single hook, Magnet, Chain
- Innovative new Double-S hook grabs and secures wire and cable in difficult pulling applications
- Whisk can be used alone or in conjunction with any of the attachments to guide rods over and past obstacles
- Magnet attaches to the chain to retrieve wire in blind applications
- Bullet Nose allows easy pulling with the line attachment hole
- Single hook easily grabs and retrieves wires
- Twin hook is a grappling-style tool for difficult wire retrieval
- Includes hard plastic carrying case
- Patent Pending

[About Klein](#)

Klein Tools offers an innovative variety of durable attachments providing the right tool for any wire and cable fishing situation. This seven-piece attachment set plus hard carrying case includes the unique Double-S hook and a redesigned Whisk. The Double-S Hook is designed to grab wire or cable and secure it with the attachment when pulling. The Whisk has an updated, sleek design for maneuvering over and around obstacles, and a female connector to attach hooks or bullets for a complete solution. Note: Does not fit Super Rod Series (SRS) fish rods.
