## AC/AC ADAPTER

CSA/UL wall mount adapter with screw terminal output.

**Voltage** 24VAC @ 1.67A

**Type** AC Output

**68-241AS-1** [Display Pkg](#)

These AC Adapters are unregulated (except the 68-122-1, 68-519-1 and all 68-XXXXPS-1). All voltage ratings shown are at rated load. For instance a 12volt / 500mA unit has an output of 12volts at 500mA. If the load is less than 500mA the output voltage will be higher. Exceeding the output current will damage the adapter. Click [here](#) to see approximate output graphs.
