

## LSZH Speaker cables

Belden Speaker cables use OFHC conductors offer Top Performance.

Top range of speaker cables complying to the CPR Euroclass requirements up to B2ca.

Belden LSZH OFHC Speaker cables answer the need for an CPR Euroclass rated, high-end speaker cable with distinct performance and installation benefits.

### Enhanced Sound Performance

The copper conductors of Brilliance Low Cap OFHC Speaker cable have been manufactured using an upright shaft manufacturing process. The result of this process is a high-conductivity copper conductor that is inherently free of impurities.

### Construction details

The range of products consists of 2 x 1.5 mm<sup>2</sup>, 2 x 2.5mm<sup>2</sup>, 4 x 2.5mm<sup>2</sup> and 2 x 4.0 mm<sup>2</sup>. These are available in CPR Euroclass ratings:

- B2ca-s1,d1,a1
- Cca-s1,d1,a1
- Dca-s2,d2,a1

### Euroclass program

Euroclasses are uniform assessment methods or classifications that reflect real-life environments for building products based on reaction-to-fire performance. Based on the cable's performance, it is placed into the Euroclass system that indicates its behavior during a fire.

The Euroclass program provides rankings based on the following criteria:

- Contribution to expanding a fire (rating from "no contribution" to "high contribution," with several levels in between)
- Smoke production development (rating from "limited production" to "strong production")
- Burning falling particles/droplets (rating from "no" to "high")
- Class corrosiveness/acidity of combustion gases (ranging from "low corrosiveness" to "high corrosiveness")

Description	Part No.	Euroclass	No. of Cond.	Standard Lengths [m]	Standard Weight [kg]	Diameter over Insulation [mm]	DC Resistance conductor [ $\Omega$ /km]	Nominal O.D. [mm]
-------------	----------	-----------	--------------	----------------------	----------------------	-------------------------------	---	-------------------

**1.5 mm<sup>2</sup> Stranded (30 x 0.25mm<sup>2</sup>) Conductors | Oxygen-free Bare Copper | Conductors Cables**

**LSZH Insulation | LSZH Jacket**
