

# 74 05 250

## High Leverage Diagonal Cutter

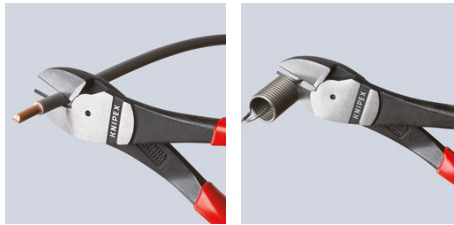

- For very tough, continuous use
- High cutting performance with minimum effort due to optimum coordination of the cutting edge angle and transmission ratio
- Precision cutting edges additionally induction hardened (cutting edge hardness approx. 64 HRC), for all sorts of wire including piano wire
- Chrome vanadium heavy-duty steel, forged, multi stage oil-hardened
- The 250-mm-long diagonal cutter is suitable for copper conductors up to 16 mm<sup>2</sup> and aluminium conductors up to 35 mm<sup>2</sup>

### 20 % less effort required

compared to conventional diagonal cutters of the same length.

With integrated forged joint axle.

<b>Article No.</b>	74 05 250
