

# Supreme Cutters and Pliers

## SUPREME

**LINDSTROM SUPREME  
GOOD PERFORMANCE FOR THE  
TRADITIONAL USER**

Good performing cutters and pliers for general electronics work, repair and fine mechanical work.

Most of the cutters and pliers in the Supreme series have a specially made box joint with extra long contact surfaces, made possible by a special manufacturing technique. Undesirable joint movement is held to a minimum, ensuring extremely precise alignment of the jaws, even at the extreme tip.
