Personal Info

Product Description

Works with Industry standard IR emitters. These shields cover infra red IR emitters which reduce signal interference from local IR remote controls. Provides IR isolation between audio video equipment that is located in close proximity to each other so discrete IR control between two similar devices are possible, like Direct TV, cable set top boxes, etc.. 3M self adhesive peel and stick design.

Works with these Calrad IR Emitters:

- [92-152](#), Single Flashing IR Emitter
- [92-152-NE](#), Single Non-Flashing IR Emitter
- [92-152-2](#), Dual Flashing IR Emitter
