IDC, SUPERIBBON™ All Plastic – 90° (Standard) End Entry Cable

<http://www.cinch.com/products/misc-commercial/miniature-ribbons/idc-superibbon-all-plastic-90-standard-end-entry-cable/>

Introduction | Part Numbers | Dimensions Introduction End-Entry connectors include a hood and integral cable clamp for cable exit from the end of the connector. The standard-orientation plug has the cable clamp on the position-1 end, and the standard-orientation socket has the clamp on the high position end. Cables may be extended end-to-end (i.e., running cable) by [...]
