## KNIPEX PreciForce® Crimping Pliers

- Repetitive, high crimping quality due to precision dies and integral lock (self-releasing mechanism)
- Crimping pressure has been set precisely (calibrated) in the factory, re-adjustable
- Optimum transmission of force thanks to toggle lever for fatigue-reduced operation
- Good handling thanks to favourable handle position, low weight, compact design and ergonomically shaped handles
- Chrome vanadium electric steel in special quality, oil-hardened

For daily crimping applications, the specialist likes crimping pliers that work precisely and reliably. In addition, they should be light, comfortable to use, robust and reasonably priced: PreciForce®.

<b>Article No.</b>	97 52 50
<b>EAN</b>	4003773051916
<b>Pliers</b>	burnished
<b>Handles</b>	with multi-component grips
<b>Applications</b>	Coax-, BNC- and TNC-connectors for RG 58/174/188/316
