Product data sheet

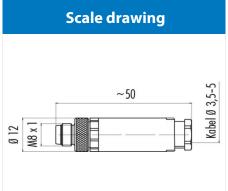

Automation technology - sensors and actuators

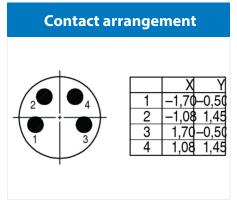

Product description M8 cable connector, Contacts: 4, 3.5 - 5.0 mm, not shielded, screw clamp, IP67, UL listed

Area **M8 series 768**Order number **99 3383 100 04**

You can find the component part drawing and assembly instructions on the next page.

Technical data

General values

Connector design
Connector locking system
Termination
Wire gauge (mm)
Wire gauge (AWG)
Cable outlet
Upper limit temperature
Lower limit temperature
Customs tariff number
Packaging Unit

Cable data

Approval 1

cable connector screw screw clamp 0.14 - 0.50 mm² 26 - 20 3.5 - 5.0 mm 85 °C - 40 °C 85369010 100

UL listed

Electrical values

Rated current (40 °C) 4 A Rated voltage 60 V Rated impulse voltage 1500 V Pollution degree Overvoltage category Ш Insulating material group Ш EMC compliance not shielded Degree of protection IP67 > 100 Mating cycles Mechanical operation

Material

Contact material CuZn (brass)
Contact plating Au (gold)
Contact body material PA
Housing material PA

Security notices

The connectors are designed for use in plant, control system and electrical equipment. The end user is responsible for checking whether the connectors are suitable for use in other applications.

Connectors with degree of protection IP 67 and IP 68 are not suitable for use under water. When used outdoors, the connectors must be separately protected against corrosion. For further information about IP degrees of protection refer to 'Technical support' in the Download Centre.

To lock the cable connector to the equipment connector, the threaded ring is tightened until it is 'finger-tight' (approx. 50 cNm).
