Region **USA** Product Family **Corrugated Loom Tubing - Slit** Text Search: 'CLT35F-C4'

Your search criteria matched only one product, shown below.

Corrugated Loom Tubing is offered for applications where spiral wrap or braided expandable sleeving may be difficult to install or where they do not offer the amount of protection required. This version features a lengthwise slit which makes it easy to install onto a bundle of wires or a pre-assembled harness assembly.

- Protects and reduces the risk of damage to wiring
- Crush impact and abrasion resistant
- Slit wall design for ease of installation
- Hold in place with push type cable ties adhesive or push type mount
- Bundle wires in control panels

* Order number of reels required.
