

IEC PANEL MOUNT CONNECTOR

Two and three-pin/contact grounding primary power receptacles are designed to meet EN 60 320, as well as applicable UL, CSA, VDE and other specifications. Receptacles feature choice of short, standard or long solder lugs or FASTON[®] terminals. Receptacles snap-in or screw mount from the front or rear of panel. Receptacles have orbitally riveted lugs (except EAC233, EAC305, EAC323 EAC325, EAC333, EAC405) for superior mechanical/electrical connections. Extended socket versions permit minimum behind-panel depth.

Product	Description	Stock
EAC227X	IEC Panel Mount Connector, male, mounts both, solder lugs read more >>	
EAC233	IEC Panel Mount Connector, male mounts rear, PC read more >>	
EAC233T	IEC Panel Mount Connector, male mounts rear, with 0.057 wide slot for PCB mounting read more >>	
EAC301X	IEC Panel Mount Connector, male, mounts both, solder lugs	
EAC305	IEC Panel Mount Connector, female, mounts front, solder lug	
EAC309X	IEC Panel Mount Connector, male, mounts both, std solder terminal read more >>	
EAC311X	IEC Panel Mount Connector, male, mounts both, faston read more >>	
EAC323	IEC Panel Mount Connector, male, mounts both, solder lug (short) read more >>	
EAC325	IEC Panel Mount Connector, female, mounts rear, solder lugs (short)	
EAC327X	IEC Panel Mount Connector, male, mounts both, solder lug read more >>	
EAC333	IEC Panel Mount Connector, male, right angle housing for PC mount. Integral ground solder lug on rear of receptacle. read more >>	
EAC333S	IEC Panel Mount Connector, male, right angle housing for PC mount with snap-in retainers for PCB mounting. Integral ground solder lug on rear of receptacle. read more >>	
EAC333T	IEC Panel Mount Connector, male, right angle housing for PC mount, with 0.057 wide slot for PCB mounting. Integral ground solder lug on rear of receptacle. read more >>	
EAC333Z	IEC Panel Mount Connector, male, right angle housing for PC mount. Integral ground solder lug on rear of receptacle. Housing and cover are tan thermoplastic read more >>	
EAC405	IEC Panel Mount Connector, female, snap-in, solder lug	
EAC405040	IEC Panel Mount Connector, Female, Snap in, Panel thickness 0.040"	
EAC405060	IEC Panel Mount Connector, Female, Snap in, solder lugs, Panel thickness 0.060"	
EAC409	IEC Panel Mount Connector, male, snap-in, solder lug read more >>	
EAC409040	IEC Panel Mount Connector, male, Snap in, Panel thickness 0.040"	
EAC409060	IEC Panel Mount Connector, male, Snap in, Panel thickness 0.060"	
EAC411	IEC Panel Mount Connector, male, snap-in, Faston read more >>	
EAC411040	IEC Panel Mount Connector, male, snap-in, Faston, Panel thickness 0.040"	
EAC411060	IEC Panel Mount Connector, male, snap-in, Faston, Panel thickness 0.060"	
EAC509030	IEC Panel Mount Connector, male, snap in, 2 pin, solder terminals, Panel Thickness 0.030"	
EAC511030	IEC Panel Mount Connector, male, snap in, 2 pin, faston terminals, Panel Thickness 0.030"
