 Text Search: 'LS8E-KIT'

Your search criteria matched only one product, shown below

LS8E-KIT

- Cut-to-length functionality eliminates label waste and label trimming labor
- Partial cut feature available to provide tear-apart strips of labels
- Label cassette contains integrated memory device for automatic formatting, recall of last legend used and number of labels remaining in cassette
- USB interface for importing data, system upgrades and printing from a wireless laptop or desktop computer
- Fast loading label cassette includes both label material and ribbon to make changing labels easy
- Prints self-laminating labels, heat shrink tubing, die-cut component labels and continuous tape
- Large graphic display with backlight for improved visibility
