Product datasheet Characteristics

LUA1C11

signalling contacts LUA - 1 NO + 1 NC

Main

Range	TeSys	
Device short name	LUA1	
Product or component type	Auxiliary contact	

Complementary

Complementary		7
Auxiliary contact composition	1 NO + 1 NC	
Signalling function	Fault signalling Indicating rotary knob in ready position	rie z
[Ue] rated operational voltage	<= 250 V AC <= 250 V DC	suitabilit
[Ui] rated insulation voltage	250 V conforming to CSA 250 V conforming to IEC 60947-5-1 250 V conforming to UL	deferminim
[lth] conventional free air thermal current	5 A	is and the state of the state o
Minimum switching voltage	17 V	<u> </u>
Minimum switching current	5 mA	
Product weight	0.03 kg	
Connections - terminals	Screw clamp terminals	of different control of the control

Contractual warranty

Contractadi Warranty			
Warranty period	18 months
