## MIL-DTL-83513 - Standard Profile, Right Angle (90°), Printed Circuit Boards Slash / 16 through 21

Pin Connector Shown

M83513 standard profile right angle printed circuit board connectors are potted with epoxy and are environmentally sealed. Available in eight contact arrangements, these connectors feature aluminum shells and flourosilicone interfacial seals.

Contact terminals are spaced on .100 inch by .100 inch centers for easy board mounting.
