Cable Stripper

multicompPRO

Description

Cable strippers allow all common round cables to be stripped accurately, quickly and safely. The cable stripper product family includes various types which have different additional functions, thus meeting the individual needs of the users.

Specifications

|	
Cable type	: Fine-wired and solid conductors with PVC insulation
Field of use	: External diameter 4mm to 28mm
Inner blade	: Adjustable & replaceable
Additional benefits	: Strips conductors of 0.5mm² to 6.0mm²
Material	: Glass fibre reinforced polyamide
Length	: 145mm
Weight	: 61g
Accessories	: Replacement blade.

Features

- Wire stripping of all common round cables of 4 to 28mm.
- No damage of the inner conductors due to infinitely variable adjustment of the cutting depth.
- Inner swivel-blade enables automatic round and length cut in one working step.
- Six ranges of wire stripping are available.
- Additional function: allows all common flexible and solid conductors of 0.5mm² to 6mm²
