

OBDMATE SCANNER OBD II

Part number : 72-10516

This OBD II scanner is an extremely handy tool to have if you do any maintenance on your own automobiles. The 72-10516 (OM123) features a large screen with a friendly GUI that virtually anyone can understand. It also has a built-in library to identify the meaning of your codes without looking them up manually. Most importantly, this unit is small enough to fit in the palm of your hand, this gives you the ability to take it anywhere.
