Description

Zipper multifilament cable wrap has the same function as zipper braided wrap, easy to install and uninstall plus excellent anti-abrasion performance, and also offers better dust resistance due to its tight weaving construction. This kind of sleeving can provide variety of sizes to accommodate any harnessing and cable management application due to its flexibility.

Applications

Most commonly used on wires, wire bundles and harnesses, computer power cords, tubes and hoses to provide a tough, durable protection in several industrial fields.
