### Complete Set - PS88 Screwdriver Set - Inch Sizes

Compact convertible tool sets complete more jobs with fewer tools, save bench space and lighten service kits. Each set is equipped with a remarkable black, "piggyback" torque amplifier handle (Xcelite Catalog No. TA2) that slips over the top of color-coded midget drivers to provide larger gripping surface, extended reach and increased driving power.

Sets housed in attractive, easy to open, clear plastic cases.

All individual screwdrivers and nutdrivers are available separately.

Color-coded handles; 9 pieces
