

Between Series Adapters solve a variety of connection problems where connectors of different types ordinarily could not be mated together. Each adapter has a different type coupling at each end allowing for a wide variety of interconnections to fit almost all interconnection situations. All adapters are constructed of machined brass and are nickel plated.

N to BNC

Part Number		Description	Fig. No.
1305505	RoHS	N Male - BNC Male	145
1313505	RoHS	N Male - BNC Female	146
1323505	RoHS	N Female - BNC Female	147
1331505	RoHS	N Female - BNC Male	N/S

RoHS compliant
