

# LEAN

With Brady B-593  
Raised Panel Labels

The Lean Manufacturing Solution

# The Lean Solutions For Custom Legend Plates

Die-cut B-593 labels with Brady adhesive give you fast, easy, professional labels.

On-demand printing with Bradyprinter™ PR Plus Printer or the TLS® 2200 Thermal Transfer Printer.

**B-593 Raised Panel Labels** Meet your lean manufacturing goals by creating durable, cost-effective legend plates on demand with less time, cost, and hassle than engraved plates.

**Right Time** – Manage inventory flow with Just-in-Time printing.

**Right Place** – Custom legend plates when and where you need them.

**Right Quantity** – Reduce materials waste by creating labels on demand.

Brady B-593 Raised Panel Labels are available in a variety of styles to meet your product and equipment identification needs:

- |                         |                          |                              |
|-------------------------|--------------------------|------------------------------|
| ■ Electrical Components | ■ Motor Controls         | ■ Low Voltage Control Panels |
| ■ Push Buttons          | ■ Trophy Plates          | ■ Signal Lights              |
| ■ Switches              | ■ Electrical Cabinets    | ■ Production Lines           |
| ■ Instrument Panels     | ■ Racks and Patch Panels |                              |

## Legendary Brady Quality

B-593 Raised Panel Labels give you professional legend plates with alphanumeric text and graphics with the quality and durability you need.

- Aggressive adhesive for strong holding power – no rivets needed
- Thermal transfer print quality for crisp, clear legends
- Clean, professional legend plates in a variety of colors and sizes
- Easier, faster, and more cost-effective than engraved metal plates
- Overlaminated material available for added protection
- UL 969 and CULC22.2 No. 0.15-01 compliant

Set-up and printing are easy with LabelMark™ Labeling Software or BradySoft™ 8.5 Barcode Label Design Software.

### Brady B-593 Label

Color/Ribbon	Est. Outdoor Durability Rating
White/R6000 Black	10 years
Yellow/R6000 Black	5 years
Silver/R6000 Black	5 years
Green/R6000 Black	5 years
Red/R6000 Black	5 years
Red/R4400 White	3 years
Black/R4400 White	3 years
Green/R4400 White	3 years

*"This process is at least seven to 10 times faster than our old engraving process, and the Brady labels deliver a 50 percent reduction in cost, maybe even more when you factor in usability and speed."*

-Tim Dotzenroth, CON-SYST-INT Manufacturing
