

NAUTILUS

FOOT SWITCH

- ▲ The Nautilus foot switch is Linemaster's top choice for those seeking a military grade foot switch. The Nautilus offers the end user a rugged shell that is built to last. A completely waterproof housing that is corrosion resistant allows for use in the harshest environments. Although the Nautilus is used in various applications, the most popular places it is used is on communication equipment and military vehicles. The Nautilus is the switch trusted by many. Only from LINEMASTER® - American made innovation at work.
